ACCELERATED TRAINING PROGRAM (ATP)

ATP - Accelerated Training Program:

Members in this program will have two 1-hour training sessions per week. Participants in this program will not participate in league play but will graduate to scrimmage games when ready. The focus points of this program are:

- Improve basic basketball fundamentals building a foundation of the basic basketball skills necessary to play competitively.
- Familiarize the athlete with the basic rules and concepts of the game of basketball.
- Prepare the athlete for competitive team play.

The monthly ATP club fee is $95. Please see below the explanation of the Vegas Elite Basketball Club (VEBC) fees for the ATP:

Training Fee - $80/month (paid directly to VEBC)
Each member will participate in two (2) 1-hour training sessions per week. The training fee is due at the first training of each month.

YMCA Membership/Insurance Fee - $15/month (paid directly to the VEBC)
Anyone that participates in any activity or program inside the YMCA is subject to a YMCA program participation fee.

ALL VEGAS ELITE MEMBERS that pay this fee will have FULL MEMBERSHIP privileges to all Southern Nevada YMCA's during YMCA business hours. This not only includes access to the basketball courts, but also the weight training and fitness areas, as well as the locker room and swimming pool areas.

Uniform Fee - $35 (one-time fee)
All members MUST wear a Vegas Elite reversible jersey to every training session.

Saturday scrimmages - Once a particular group has reached the proper development level, the Saturday training sessions will include a controlled scrimmage game. These practice games will consist of the members being separated into teams by age/grade and competing against each other in a “live” game. These games are important to attend, as this is the time used to improve court awareness and put what has been learned in training, into action. Based on performance in these games, members may be moved from the Accelerated Training Program (ATP) into the Player Development Program (PDP) and begin to play in the Player Development League (PDL) games.
